

NAMIIBIA UNIVERSITY
OF SCIENCE AND TECHNOLOGY

**Office of the Deputy Vice-Chancellor:
Academic**

Invitation

NUST is proud to host its annual Institutional Research Week 2018. The Institutional Research Week serves as a platform for academics to present their research findings, exchange ideas, and share experiences across disciplines.

The theme for this year's Institutional Research Week is **"Building a World-class University through Innovation and Research Excellence."**

Date: 21-23 November 2018

Time: 07:30 - 13:00

Venue: Mining Auditorium

Enquiries:

Ms Muriel Mouton
